

Sequencing and Oligo Synthesis Departments Only Partially Operational During the Christmas Holidays

Dear Valued Customer

Please take note that Microsynth Seqlab's sample collection service will not operate during the Christmas holidays – last pick-up on 23 December 2024; first pick-up on 2 January 2025. Economy Run tubes and plates (no purification required) will be processed on 23 December 2024 and results will be delivered the following day before 10 am. Please note that results for all other services will be delivered from 02 January 2025 on.

Please note: On 30 December 2024 our sequencing department will be operational. If Economy Run tubes and plates (no purification required) are sent by post or other courier services by 30 December 2024, samples will be processed on 30 December and results will be delivered the next day before 10 am.

Please send your samples to the following addresses:

if you use <u>normal post service</u>	if you use <u>other courier services</u> like e.g. DHL, UPS or Fedex
Microsynth Seqlab GmbH Postfach 3343 37023 Göttingen Germany	Microsynth Seqlab GmbH Maschmühlenweg 36 37081 Göttingen Germany

Oligo Synthesis Department:

- Regular oligonucleotide production and shipping until 23 December 2024.
- Regular production and shipment of oligos from 2 January 2025

If you have any questions, please call us at +49 551 3700010 or send an email to info@microsynth.seqlab.de

We wish you a Merry Christmas and a healthy holiday season.

Your Microsynth Seqlab Team
